PRESCOTT
Pride of Prescott
MARCHING BAND

***Scholarship Policy Statement:*** *While PHS Band Boosters strive to promote instrumental music education and performances in the Prescott community, we recognize that a financial need can arise. PHSBB assists with scholarships based on funds available. In turn, PHSBB requires students and parents to engage in fundraising and volunteer events that support the PHS instrumental music program. This involvement can be done by the parents, student, or both.*

The intent of this scholarship is specifically tied to assisting students registered in the PHS instrumental music program (including auxiliaries) with the cost of Instrumental, Auxiliary and Guard yearly fees not including travel costs. Awards are made based on need, typically not to exceed 50% of the fees, and are based on the availability of funds.

Student Name: _____ is registered to participate in

_____ for the _____ school year.

Please explain why you need assistance, all information is kept strictly confidential. (You may attach the first 2 pages of you federal tax return, or provide other documents that demonstrate financial need. All information is shredded after review.)
